

DEPARTMENT OF CIVIL AVIATION

ANNUAL PLAN 2009 - 2010

INTRODUCTION

After the creation of Jharkhand State, programmes are being implemented to provide better structural & technical facilities for existing airports & air transport systems within the State. The Jharkhand Flying Institute is the only DGCA approved organization in Jharkhand for providing training facilities to pilots and Aircraft maintenance engineers.

- ◆ State Aviation intends to develop & modernize in-depth evaluation to ensure that Aviation standards comply with Civil Aviation Safety Requirements and other DGCA regulations.

Objectives & Strategies

- Construction of new airstrips in 12 districts of the state for better and fast connectivity within the state thus facilitating landing of Boeing and other bigger aircrafts.
- Strengthening and extension of existing seven airstrips in the state
- Induction of one police-version helicopter for better surveillance and rescue operations
- Induction of one VIP version Helicopter for VVIP Movement within the state.
- Purchase of one twin engine aircraft for VVIP flying + multipurpose role within and outside the state.
- Creation of Jharkhand flying Institutes in 4 places for training of youth of Jharkhand as pilots on PPP basis.

- To provide air transport facilities for tourism and medical evacuation on commercial basis
- Purchase of three trainer aircrafts and two motor glider for the newly established flying Institutes for training purpose and to promote aero sports and tourism on commercial basis.
