

Jharkhand Agency For Promotion of Information Technology
(An autonomous organization under the Department of Information Technology)
Engineers Hostel-2, Near Golchakkar, Dhurwa, Ranchi-834004

SECTION –I INVITATION FOR BIDS (IFB)

1.1 Introduction

The HRD Department, Government of Jharkhand recognizes the increasing importance of computer education and use of information technology (IT) for imparting quality education. It has decided to introduce a scheme for Computer Education Programme in Secondary / +2 Schools of following three Groups of Districts in Jharkhand

- 1. Group 1**
Ranchi, Khunti, Simdega, Gumla, Lohardagga, Garwah, Latehar, Palamu
- 2. Group 2**
Giridih, Deoghar, Chatra, Kodarma, Dhanbad, Bokaro, Hazaribagh, Ramgarh
- 3. Group 3**
Chaibasa, Jamshedpur, Saraikela, Dumka, Pakur, Sahibganj, Godda, Jamtara

The main objective of the project is to impart computer education and also use the IT infrastructure to provide computer-aided learning in other areas of the school curriculum. The project also aims at providing access to Internet at the schools level and promotes the formation of web-based school communities. It is expected that these centers at the school level will play a major part in introducing computers to the community as a whole.

Since the installation of computer systems and their maintenance as well as education to students would need expertise, the government has decided to involve private sector in this project.

It is in this background that C.E.O., JAP-IT / HRD Department on behalf of the State Government of Jharkhand invites sealed technical and financial proposals from renowned organizations/institutions from the IT Education Sector in the Country.

The RFP includes the following documents:

1. Invitation for Bids (Section I)
2. Instructions to Bidders (Section II)
3. Scope of Work (Section III)
4. Terms and Conditions of Contract (Section IV)
5. Bid Formats (Section V)
6. Annexure
 - I. List of Schools
 - II. Syllabus prescribed by Dept. of HRD for teachers training (Section VII)
 - III. Technical Specifications (Section V)
 - IV. Service Levels
